Investigation Proves Federal Felonies By EEOC In Government Reverse Discrimination Case

Phoenix AZ (March 24, 2004): In what can only be called "**THE WORST CASE OF FEDERALLY SPONSORED REVERSE DISCRIMINATION EVER PROVEN**", a complete report has been published detailing the illegality of EEOC correspondence, actions and claims.

In preparation for the filing of a Federal Civil Case, the report entitled, "**Proof of Federal Felonies By The EEOC And L.M. Communications Inc**" has been published where EEOC Program Manager Billy C. Sanders, LM Communications Inc., Owner Lynn Martin, Lexington Attorney Bill Allen, WCOO General Manager Charlie Cohn and others are shown, without a doubt in relevant documentation to have committed federal felonies in a combined and jointly executed pattern of illegal activity to deprive a White Male of his Civil Rights and provide preferential treatment to a Black Female in securing an illegal settlement in an EEOC Charge with LM Communications Inc., of Charleston South Carolina brokered by the EEOC.
